**Education Foundation golf tournament is Aug. 1 at Dwan Golf Course**

There's still time to enter the Education Foundation of Bloomington's Chip In for Schools Golf Classic on Wednesday, Aug. 1, 1 p.m., at Dwan Golf Course. Proceeds of the tournament provide Classroom Innovation Grants that enable Bloomington teachers to evaluate new instructional methods or provide their students with special learning projects.

Teams and individual players are welcome. Superintendent Les Fujitake will host a hole where players can choose to play his drive or theirs—a free mulligan. The \$110 entry fee includes lunch, cart, balls, tournament games, prizes and choice of dinner entree at Minnesota Valley Country Club.

Registration forms are online at [educationfoundationofbloomington.org](http://educationfoundationofbloomington.org) or call 952-334-8412.
